REPORT FROM DR RON

While shopping a few days ago, a sales-clerk commented to me, "Once things get back to normal, we will be ok." **However, God's plan can be our normal.** God will restore and recreate as necessary. He is in total control! Every ministry as well as Cubit's ministry has had to change in order to satisfy the travel restrictions internationally and domestically and in our churches the social distancing regulations. **Our focus, purpose and emphasis has not changed.** Paula and I have spent more time in America in the past 9 months, than in the past 20 years. Mainly in Georgia because of Covid. That means our workers on the ground in areas of Cubit's ministry have willingly stepped up and took on responsibilities for our widows, orphans, the persecuted believers, and the needy has not only been maintained, but has actually expanded.

One of the bright spots in the midst of the restrictive pandemic is our "God's Widow's Farm" in Egypt. As we reported to you in our last newsletter, this farm is producing many times over what the typical farm in the Delta region of Egypt produces. In fact, the local paper reported that this six-acre farm is producing seven times more than all other farms in the area. And they were quite open in admitting that this phenomenal production is because the farm was dedicated to God for the feeding of widows, orphans and the needy. But, this extraordinary production was accomplished by hard labor, including plowing the six acres with hand shovels, watering with hand carried buckets, weeding by hand, and harvesting by hand. **A special thanks to those who recognized the need and gave in order for us to buy a tractor to work the farm.**

The tractor has been delivered and is being used daily. So now, we are able to increase production even more.

**MERRY CHRISTMAS
 2020
 FROM THE
 CUBIT FOUNDATION**

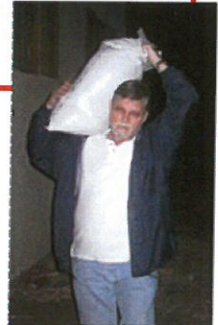

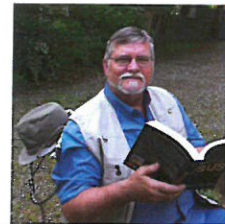

Presently, the crops are delivered to the widows and needy by car, donkey cart and by hand. The need for a pick-up is necessary. We are in the process of collecting funds to buy a used pick-up in order to enhance and improve distribution. One reason for the farm, was the food price has gone up. Our Bags of Hope usually where \$25 a month, now would cost \$50. The farm is keeping the cost down. So, even though this terrible pandemic has a strangle hold on Egypt, much like the rest of the world, God's Widow's Farm (locally acknowledged as Jesus' gift to the widows) is producing far above anyone's expectations, as a testimony to the Muslim world that our Lord supplies in the very midst of catastrophe and honors those who honor Him and proclaims Him openly. We do not know what the future holds. Even things that in the past have seemed absolute, constant, and stable, are now unreliable, unpredictable, undependable. Though Cubit has been actively ministering to the persecuted believers, supporting widows and orphans, and providing help and services to the needy since 1985, we have no guarantee that what has been Cubit's typical ministry process for more than 30 years will continue unaffected. Nonetheless, believers are still being persecuted, widows and orphans are still homeless and starving, and polluted water still takes the live of thousands yearly. As such, the need for Cubit's specialized ministry emphasis is still needed. That being the case, we stand stronger than ever before, in our commitment to the persecuted, the widows and orphans, and needy.

In Christ, Dr Ron
Please Pray 5 minutes a day for the persecuted believers, Muslim by birth, Christian by choice!

We lost Ron's father K.F. Charles on September 16th this year. He will be missed but know he is playing his tambourine up in Heaven! Thank you Daddy for all you did for the Kingdom. Love You

Brad's Trip to Mexico: As many mission trips have been canceled Brad was able to go to Big Heart Orphanage before the Covid-19 closed down borders. He always takes a team with him. Big Heart has expanded to a 2nd area. They are building a new orphanage and Cubit has been part of it. Not only does Brad go there, we are supporting them monthly. Pray for Big Heart and all the ministries around the world. No mission trips are allowed to go to help others. We pray the boarder will open soon and the Virus is stopped so we can get back to doing mission work again.

Thank you
Brad

"WE CAN'T HURRY GOD"

Hello Friends! I can't believe it is almost Christmas again. As I started writing this newsletter, I prayed and asked God for direction in what I should say? There has been so much that has happened since our last newsletter. Some of you may have doubts about God really loving you. Some have lost their jobs or home, or worse lost a love one. Governments are in turmoil all over the world. Why is this happening? **WHY LORD, WHAT IS YOUR PLAN?** As I continued to pray, I felt an assurance He is there with each one of us, even during the trials in our lives. It is not our job to ask God what He is doing or why. It is our job to know who God is. If we know who God is He will give us peace and that will give us strength to go on. I know the Bible is the best place to find God. *The Full Armor of God in Ephesians 6* gives us a good idea. The sword of the Spirit is the Bible. Let's try to put the whole armor of God on daily. We must trust in God, even if the answers are hidden to us.

I was reminded of a song my father-in-law sang at church. *"We can't hurry God, we just have to wait. We have to trust Him and give Him time, no matter how long it takes. He's a God that you can't hurry, He'll be there, so don't you worry. He may not come when you want Him, But HE'S RIGHT ON TIME"*

We must continue to press on and keep doing the mission that God called us to. There are still 3 Billion people that need the gospel. They need to see how we are acting during this time and if we are standing strong in the trials, and how we have been impacted to keep on going to serve others and share the love of Jesus Christ! Also, put on The Full Armor of God daily, for you and your family. It will be a turning point!

The CUBIT Foundation comes to you with a grateful heart this Christmas to tell you what faithfulness and support over the years has meant to us. Each one that partners with us is amazing. It is because of God and you, Cubit has been able to continue to function. Even in the midst of a world wide pandemic, the anointing of the Holy Spirit has directed our paths and expanded our boarder, even if we can't travel. We pray this for all of you! God bless you one and all this Christmas! Love in Christ, Paula

We are not able to travel international, Dr Ron is remaining busy teaching classes in Germany and India on Zoom. It is a joy for him!

Merry Christmas, Dr Ron, Paula, Brad and LeAnne Charles, Cubit Staff and Board Members

 Cubit does things a little different with our tithing because we felt God directing us this way. Not saying everyone should feel you need to do this. No condemnation.

Everything that comes into the ministry, before administrative cost, we take a tithe off the top. All designated gifts goes 100% to what you specify. This could include Bags of Hope, water machines, books, CD's, general fund or special offering. The tithe we give to America ministries. We feel doubly blessed to do so.

Cubit is so excited to be able to help Americans, not just overseas efforts. Cubit helps widows, the fatherless, new church plants, humanitarian needs, youth & college ministry, and where there is a need that God leads us. Praise the Lord for your faithfulness and love that comes from our Cubit partners.

THANK YOU

We really don't know how it happens, but I guess the Bible is true. God has blessed Cubit and helped us keep giving to others.

Give, and it shall be given unto you; Luke 6:38

Please pray for some of the people and ministries in America God is allowing us to help, even in our small way. Big Heart Orphanage, People's Church East/Tom Baxter, Chi Alpha College ministry/Greg Mahaney, Crave youth ministry, Victoria Rich, Josh Rich, Nita Wood—Short term missions, Nancy Honeytree Miller, Daily Bread in Abundance, Bless the Children home, and others as the need arises. We are going to try to spot light the different ministries in our upcoming newsletters.

Our newest ministry outreach in the US. Daily Bread in Abundance in Andrews, TX. This is a new vision rooted in prayer and fasting. The founders have a strong desire to feed the hungry in their area and surrounding cities in the Permian Basin. They found out today that the food bank was empty in Andrews, and they were able to reach out and make Thanksgiving possible for others. Jeremiah 22:16 is the foundation they stand on. Thank you, Valerie Deutsch
